**“WE FEED THE IMPROVEMENT”**

# Monthly Observations Feeder

*Please, answer the questions below*

What it was the most significant point that I have observed / learned from my work over this month?:

**Positive**

How it was?

or

**Negative**

If it was **positive**, how can I make it happen again (not only to me but also to my colleagues)?

If it was negative, what could be done to prevent it happen again?

Answer the questions above and begin, **together (with my help)**, to work on a Best Practice / Lesson Identified!!

*Starting a Lessons Learned Process is less difficult and complicated than you think: just fill the "Feeder" above and ... that's it!*
